

**Student Poster Session**  
**Call for student posters**  
**FMSEA Conference**  
**University of South Florida**  
**St Petersburg**  
**May 19, 2012**

High School students are invited to present posters involving aquatic and marine science at the May 2012 Conference of the Florida Marine Science Educators Association in Saint Petersburg, Florida. The student poster session will be a part of the concurrent sessions available to conference attendees for one hour on Saturday, May 19, 2012 at the University of South Florida St. Petersburg. Poster Guidelines:

Size: Maximum dimensions of 36 inches x 48 inches.

Format:

1. Research based to include title, problem, hypothesis, summary of experiment and data, analysis and conclusion.

2. Information based to include aquatic or marine science topic, relationship to aquatic or marine science education.

Note-all images must be cited and photo releases signed by all persons with recognizable faces.
